Land Purchase Loans May Be Had From FSA

Loans for the purchase of farms

y worthy eligible farm families Hempstead County under terms of the Bankhead-Jones Farm Ten ant Act are available if suitable farms can be found at reasonabl W. M. Sparks, FSA Supervisor explained that the farm's earning capacity over a period of years must be high enough to enable the farmer to repay the loan over a period of 40 years under average conditions and prices. Applications may be submitted to the local FSA officer by worth farm tenants, sharecroppers and farm wage earners who are unable lo obtain credit elsewhere. To be eligible the applicant must have farming experience, good character and health. Preference is given to those who can make a down pay ment and to those who have needed livestock and farming equipment. The farm to be purchased should

be large enough to support the family but not large enough to require much hired labor. The farm should have necessary buil ings and water supply. Paul was a born propagandist. of WOW to Be Held Any one knowing of available farms of this kind for sale at farms of this kind for sale a reasonable prices are invited to get or his whole being. Land Purchase Loans May Be Had From FSA

Loans for the purchase of farms

y worthy eligible farm families Hempstead County under terms of the Bankhead-Jones Farm Ten ant Act are available if suitable farms can be found at reasonabl W. M. Sparks, FSA Supervisor explained that the farm's earning capacity over a period of years must be high enough to enable the farmer to repay the loan over a period of 40 years under average conditions and prices. Applications may be submitted to the local FSA officer by worth farm tenants, sharecroppers and farm wage earners who are unable lo obtain credit elsewhere. To be eligible the applicant must have farming experience, good character and health. Preference is given to those who can make a down pay ment and to those who have needed livestock and farming equipment. The farm to be purchased should

be large enough to support the family but not large enough to require much hired labor. The farm should have necessary buil ings and water supply. Paul was a born propagandist. of WOW to Be Held Any one knowing of available farms of this kind for sale at farms of this kind for sale a reasonable prices are invited to get or his whole being. with Saturday afternoon in front of the Garrett Memorial Baptist church on North Ferguson street. NORMAN PEDRON, 10, son of Mr. and Mrs. Raymond Pedron, 802 West Avenue B, Hope Basket company family.
CARL MORRIS, 11, son of Mr. and Mrs. Jess Morris. Mr. Morris is a local meat dealer. The third boy, reported recovering at Josephine hospital, is Marshall Dave Hendrickson, 10, son of Mr. and Mrs. Clyde H. Hen-drickson 817 West Avenue C. Mr. accident and succeeded in recovering a large number of the shell Hendrickson is local agent for Metropolitan Life Insurance comfragments. From these fragments it was possible to definitely establish the fact that a 37mm high explosive shell was the type pany.
S. P. G. Investigating The shell, variously reported to 4. The fatal shell was taken from the home of Mr. Pedron by have been smuggled out of the ne of the three boys involved in the accident probably Norman Southwestern Proving Ground, SPG Pedron himself. The Pedron family had just moved into the home officers investigated the explosion and the following facts establish that the shell was found in that

Saturday night and an official statement is to be issued by 1 a. The apartment into which the Pedron family was moving o'clock this afternoon. saturday morning is one that was sub-rented to them by Mr. Fred Mouser, an employee in the Artillery Repair Department of the the blast tearing off the right side outhwestern Proving Ground. Mr. Mouser stated to Colonel Brier of his face and filling his arms. hat early Saturday morning he had gone into the apartment to legs and body with what appeared clean out from a closet a number of empty fruit jars which had to be shrapnel been left there by a previous tenant. In the closet Mr. Mouser found The Pedron boy, with his stomach torn open, was taken to Josephine type the proving ground had deduced was involved in the accident hospital for an emergency opera he was able to state positively that the shell, seen by him in the closet was of the same type. Mr. Mouser, after discovering the shell, The tragedy filled the town with placed it on a shelf with the intent of returning and picking it up after he was through cleaning the apartment and before leaving his instant rumor - that other "live home for work. In his haste in getting to work on time the matter being handled by children, which b. Mr. Mouser's story is confirmed by the voluntary information caused swift investigation by the given to Colonel Brier by Mr. Pedron. Mr. Pedron states that when he moved into the house with the first truck load of material, his boy noticed something on a high shelf and asked his father what it The Star Sunday that the was. Mr. Pedron picked up the object and told his son that it was a Pedrons were changing houses shell and a very dangerous thing to handle. Mr. Pedron then placed Saturday, and in the house that Unfortunately, the moving truck ran over the water meter which a few hours later killed their in the yard breaking it and in the excitement of going to the city to

get aid to fix the water line Mr. Pedron, for a moment, forgot the How "live" amunition got out of shell. During the period that Mr. Pedron was gone to the water the huge SPG military reservation remained a mystery for official d. Mr. Pedron made the statement to Colonel Brier that after he reached the scene of the accident the thought of the shell, which t was that some boys had crawlhe had left in his home, came into his mind and he felt sure that the ecovered alleged "duds". But a youngsters had disobeyed him and had taken the shell. Upon returnng to his home and looking for the shell Mr. Pedron found it to be other and more held theory was that adults had smuggled out shells The question naturally arises as to how the shell got into the souvenirs. empty apartment in the first place. Who left it there is still unde-The funeral service for Norman termined, Mr. Mouser stated that the apartment had been empty and locked since being vacated by his previous tennant early in

had been fired from a gun it is felt that the probable source of the shell was the Southwestern Proving Ground. If this assumption is correct, the shell must have been taken by someone unknown from the range area of the proving ground where such shells are fired. Years.

College courses would involve practical difficulties, of course. It would not be easy to find teachers with a first-hand knowledge of Russia system dispassionately. Those who have visited the Soviet Union tend toward an inability to discuss the agent or colluded with him to discuss Communism without trying to make converts of their listeners, or else toward a whole.
